# Introduction

This guide is designed to give information on the public and community transport schemes and providers operating in South Cambridgeshire. We want to increase awareness of what is available and to enable people to contact providers.

We are keen to offer choice to the public and encourage the use of all types of public and community transport.

The Traveline East Anglia website:

**www.travelinesoutheast.org.uk**, provides comprehensive information for all local public transport services. It also offers door-to-door journey planning across the whole of England, Scotland and Wales. To go to the traveline site for another region please go to: **www.traveline.info**

## Train operators

For timetables and other information call National Rail Enquiries on **0345 748 4950** or visit **www.nationalrail.co.uk**.

### **Disabled passengers: how to make arrangements for assistance with rail travel.**

If you would like assistance when making a journey, such as help getting on or off a train, or ramps for a wheelchair, please contact the train company that manages the station you are starting your journey from. If your journey involves a Network Rail station please contact the train company you are starting your journey with.

Please try and give a minimum of 24 hours notice before your journey as this will allow time for any special arrangements to be made. If this is not possible the train companies will still do their best to help, but cannot guarantee to provide their normal level of service. More information can be found by typing 'disabled passengers' into the search box at: **www.nationalrail.co.uk**

## Railcards

A variety of railcards are available including the 16-25 Railcard, Family and Friends Railcard, Two Together Railcard, Senior Railcard, Disabled Person's Railcard, and Network Railcard. These give at least one-third off most rail fares. Railcards can be purchased at stations, through the website **www.railcard.co.uk** or by phoning **03450 300 0250**, or enquire by post to National Railcards, PO Box 6616, Arbroath, DD11 9AR.

# Community Car Schemes

Community car schemes provide a highly valued service to those who would otherwise be unable to get to medical appointments, to the shops or other services or keep in touch with relatives and friends. Journeys are provided by voluntary drivers and are booked through a co-ordinator. Most community car schemes use drivers based in your village to whom you pay a per-mile rate. This keeps the cost down.

If you cannot find a scheme covering your parish or the area where you live it is worth contacting a neighbouring scheme which may be able to help you (see map 1). You would have to pay the cost of the “dead mileage” to cover the additional distance a vehicle would have to come to reach you.

# Taxicard Scheme

The Taxicard Scheme aims to provide assistance towards the cost of taxi journeys for people who have difficulties getting or using public transport and do not own their own vehicle. The scheme is restricted to those aged 65 or over who live in the parishes listed below, and is mainly for essential purposes such as medical appointments or shopping.

- Babraham
- Cambourne (Great, Lower & Upper)
- Fen Ditton
- Fulbourn
- Girton
- Grantchester
- Histon
- Horningsea
- Impington
- Oakington
- Papworth Everard
- Sawston
- Teversham

## How does the scheme work?

The Scheme is simple to use. Certain taxi operators in your area accept taxicard vouchers as means of payment. Each voucher has a value of £2.50 but only costs you 75p. If for example your taxi fare is £10.00 then you can use 4 vouchers, or one voucher and pay the remaining £7.50 in cash.

To Apply please contact: **01223 715606**

E-mail: **[community.transport@cambridgeshire.gov.uk](mailto:community.transport@cambridgeshire.gov.uk)**

# Shopmobility

Shopmobility schemes can lend manual wheelchairs and powered scooters to members of the public with limited mobility to shop or visit leisure and other facilities within the town or shopping centre.

There are schemes in Cambridge City in the Grand Arcade (**01223 457452**) and the Grafton Centre (**01223 461858**) and in Haverhill through 3 Counties Transport (**01440 702847**).

# Demand Responsive Transport

Demand Responsive Transport (DRT) is a transport solution for people living in rural areas not served by conventional buses. The fully accessible bus provides scheduled services at peak times and pre-bookable door-to-door journeys during the middle of the day. Concessionary bus passes can be used.

Service 28 operates between the villages of **Caxton, Croxton, Croydon, Eltisley, Longstowe, Abbotsley, Waresley, Gamlingay, Little Gransden, Great Gransden, Arrington, Orwell, Wimpole, Great Eversden, Little Eversden, East Hatley and Hatley St George**, or to **St Neots** or **Cambourne**, which will also allow connections to other destinations.

The on demand service must be booked by 1pm the day before travel with operators Huntingdonshire Association for Community Transport (HACT) on **01480 411114**. The booking line is open 9am to 1pm Monday to Friday.

# NHS Non Emergency Patient Transport

In general, patients are responsible for getting themselves to and from non-urgent NHS appointments.

NHS Cambridgeshire funds patient transport for the following circumstances:

- where the patient's medical condition is such that they require the skills and support of Patient Transport Services (PTS) staff and where it would be detrimental to the patient's condition or recovery if they were to travel by other means
- where the patient's medical condition affects their mobility so that they would not be able to access healthcare by other means
- where the patient's cognitive state or lack of motivation could result in non-attendance if their travel were unsupported.

PTS may also be provided to a patient's escort or carer (one escort only) where their particular skills and/or support are needed.

Children under the age of 16 years must be accompanied by a responsible parent or guardian.

Patient transport is arranged through your GP surgery and is subject to eligibility. If an escort is required you must let your GP know at the time of booking transport.

If you are not eligible for patient transport you will need to make your own travel arrangements. Alternative types of transport are listed in this booklet.
