S/3099/18/TC	89, High Street, Meldreth, Royston, SG8 6LB	Fell Cherry Tree in back garden in Conservation Area. This tree, approx 6 metres tall and 30 years old, has bad canker in a main branch and has recently developed a significant tilt. I am concerned it could fall on the patio and injure someone. Last year we planted sapling plum and pear trees within 3 metres of this tree, so we do not propose to plant further extra extra trees on removing this cherry tree.
