Sliver Birch, Smoke Plant, Sycamore, Yew tree, Rowan, Conifer, Hornbeam, variegated Laurel and general shrubbery. None of the detailed trees or plants are diseased. Planning permission is being requested for complete removal of all trees and shrubbery as the garden is in a conservation area. No trees have a TPO against them. We are requesting complete removal because all trees and shrubs have been planted to close together and so they are poor specimens. The positions of the trees are planted impractically for a domestic garden and there was no up keep from the previous owner. We would like to landscape the garden and replant some young trees that are native to Britain. Please note, the trees with a symbol (marked in red on the sketch map) on the plan have died. S/3415/18/TC	40, Pierce Lane, Fulbourn, Cambridge, CB21 5DL	we submit this application to request complete removal of 1 x mature sycamore tree in a conservation area. The tree is shown on the attached diagram with an * symbol , and is at the beginning of the access to the property from Pierce Lane. Unfortunately, the sycamore causes a safety hazard for cars coming out of this access, as it impeaches the view to on coming vehicles on the road. The sycamore also restricts the size of vehicle able to come down the access. As we are looking to renovate the property (40 Pierce Lane) in the near future, the trees would prevent trucks and /or lorry's getting to the house, if it was to remain in its current location. It is worth noting that the sycamore is not diseased and was previously topped in 2016. Please note our previously submitted application ref: S/3191/18/TC which is currently under review. S/3626/18/TC	Land to the rear of 70, High Street, Bassingbourn Cum Kneesworth, Royston, Cambridgeshire, SG8 5LF	5 Day notice to remove 4 dead trees. Following Steve Davis work at our property, he has confirmed the other 4 trees we had concerns about are all dead and need to be taken down. We have also had further complaints about these trees from the neighbours whilst Steve was working for us. I therefore would like to give 5 days notice to take down these 4 trees and it is likely Steve will carry out this work asap next week. - I have attached a location plan to this email with the type of tree marked on it. - I have also attached some images of the trees. - I am the land owner and please use my details for any correspondence. As you will see, all 4 trees are dead and adjacent to boundaries with our neighbours. In strong winds or rain, limbs or branches of these could fall into their gardens and it is this that has	Approved	28/09/2018	http://plan.scambs.gov.uk/swift/lq/apas/run/WPHAPPDETAIL.DisplayUrl?theApnID=S/3626/18/TC
