Leave trunk and main branches as they are, removing only the thin branches that grew last year. The previous owners of the house used to pollard the trees in this manner every year in order to keep the trees from overhanging the road. We bought the house in August 2018 and I understand that the trees are somewhat rotten so there is a risk of them becoming unstable if the crown becomes very heavy and/or catches more wind. We would like permission to continue to pollard the trees in the same manner every year.	14/01/2019	http://plan.scams.gov.uk/swift/g/apas/run/WPHAPPDETAIL.DisplayUrl?theApnID=S/0132/19/TC
