Croxton CP						
	S/4667/18/TC	Ash Tree on the boundary between 29 High Street and The Old Gatehouse, 31, High Street, Croxton, St Neots, PE19 6SX	T1 - Ash tree. Tree is located on boundary between 29 High St and The Old Gatehouse. The tree has far outgrown its location and ideally needs to be removed and if necessary, replaced. In my opinion the tree is too large to benefit from a significant reduction as it would promote re growth and further hinder the residents. The tree if removed would be replaced with a silver birch, near to the Ash trees current location. Several attempts a few years ago where made to contact the landlord of the old gatehouse but there was no response. The tree is very imposing on the garden, conservatory and house and should the tree ever fail the building would be at risk. The leaf fall, consumes the garden, and roofs of the nearby buildings. Pictures to support this will be attached.	No Objections	25/01/2019	http://plan.scams.gov.uk/swiftg/apas/run/WPHA_PPDETAIL_DisplayUri?theApnlID=S/4667/18/TC
