| Bourn CP | S/0998/19/TC | 5, Baldwins Close, Bourn, Cambridge, Cambridgeshire, CB23 2TH | Ref S/0901/TC. On advice from arborist proposing to fell all 3 trees of which they are all Conifers. The 2 trees that were to be trimmed are dangerous and showing signs of dying. They have low amenity value. Will replace with extension of laurel hedge. This application to take preference over the previous application of 7/3/19. The 2 conifers previously asked to be trimmed are dangerous and could be undermining the foundations. They have become too large and they have no cultural value. I would replace the trees with a hedge extension which would tidy up the whole area and make it safe. The trees at present could topple onto Riddy Lane or onto the bungalow. | 19/03/2019 | http://plan.scambs.gov.uk/swiftlg/apas/run/WPHA_PPDETAIL.DisplayUrl?theApnID=S/0998/19/TC |

|--------------------------|--------------|---|---|------------|---|
| Fowlmere CP | S/1015/19/TP | Dove House, Rectory Lane, Fowlmere, Royston, SG8 7TJ | 1/2/1 - Mature Laburnum - diseased in 2017; removed for public safety reasons. In public view but not in tree skyline. Arguably a Public Amenity. Current position already overcrowded with shrubs, so no plans to replace Laburnum. 2/3/13 - Three year old Cherry. Not in public view nor in tree skyline. Not a Public Amenity. In 2017, after 3 years it was still struggling, so was moved to promote better growth. 3/3/16 - Three year old Apple. Not in public view nor in tree skyline. Not a Public Amenity. In 2017, after 3 years it was still struggling, so was moved to promote better growth. 4/3/19a - Three year old Pear. Not in public view nor in tree skyline. Not a Public Amenity. In 2017, after 3 years it was still struggling, so was moved to promote better growth. 5/3/24b - Mature Twisted Willow - died in 2016 from Honey Fungus disease. In public view but not in tree skyline. Arguably was a Public Amenity. Now a bark-less trunk and made into a garden feature with climbers. Currently no plans to replace it. 6/4/44 - Five year old Victoria Plum - died in 2016 and removed in 2017. Not in public view nor in tree skyline. Not a Public Amenity. There are no plans to replace it as there are 7 other plum, damson, or gage trees in the garden. 7/4/46 - Ten year old self seeded Sycamore sapling - removed in 2017 as it was in shadow of a mature lime growing 2m from it. Not in public view nor in tree skyline. Not a Public Amenity. There are no plans to replace it. 8/7/88 - Three year old Pear (see 4/3/19a). Moved from site 19a in 2017 to this cordon to promote better growth. Not in public view nor in tree skyline. Not a Public Amenity. 9/7/90 - Two year old Nectarine. In 2017, it suffered an infestation of peach leaf curl and died. It was removed. Not in public view nor in tree skyline. Not a Public Amenity. As it was in a cordon of 16 fruit trees it was not replaced a space was left. 10/7/93 - Previously a two year old Peach and now a three year old Apple (see 3/3/16). In 2017, this peach tree, like the nectarine, suffered from a heavy infestation of peach leaf curl and died. It was removed. It was not in public view nor in the tree skyline. It was not a Public Amenity. It was replaced by an Apple moved from site 16 to promote its better growth. The replacement tree is not in public view nor in tree skyline. It is not a Public Amenity. 11/7/99 - Three year old Cherry (see 2/3/13). In 2017, this tree was moved from site 13 to this cordon to promote better growth. It is not in public view nor in the tree skyline. Not a Public Amenity. 12/7/111 - Mature Buddleia - died in 2016 and was removed. It was not in the public view nor in the tree skyline. It was not a Public Amenity. A self-seeded buddleia has been left to mature nearby in the garden. | 20/03/2019 | http://plan.scambs.gov.uk/swiftlg/apas/run/WPHA_PPDETAIL.DisplayUrl?theApnID=S/1015/19/TP |
| | S/1022/19/TC | Eaden Cottage, High Street, Fowlmere, Royston, Cambridgeshire, SG8 7SR | Tree species unknown. I wish to remove a small tree which has been heavily pruned. The tree is just inside the boundary of the property and currently is holding up the neighbour's broken fence. Planning permission (S/4388/18/FL) was given on 27th February for a car port to be erected next to the broken fence. The tree would be sandwiched between the Car port and the fence if left. | 21/03/2019 | http://plan.scambs.gov.uk/swiftlg/apas/run/WPHA_PPDETAIL.DisplayUrl?theApnID=S/1022/19/TC |

| Histon CP | PP-07690159 | Bank, 2, High Street, Histon, Cambridge, Cambridgeshire, CB24 9LG | The tree in question is an Ash Tree positioned on the property rented by the Cambridge Building Society at postcode CB24 9LG. It stands as a single, but substantial, tree between the front forecourt of the branch and the two parking bays close to where The High Street and The Green meet. The tree root structure has undermined the brick pillar at the entrance to the building causing it to fracture on three of four sides. This now needs to be removed and rebuilt. Due to the impact the tree is having to the building the intention is for a fully qualified tree surgeon to cut the tree down virtually level with the ground. Once the body of the tree is removed, so as to avoid further growth with the root structure, the stump will be drilled and pelleted with a proprietary brushwood agent. | 19/03/2019 | http://plan.scambs.gov.uk/swifltg/apas/run/WPHA_PPDETAIL.DisplayUrl?theApnID=PP-07690159 |
