Dear Councillor Jenkins and Ms Talkington

**HISTON AND IMPINGTON NEIGHBOURHOOD PLAN EXAMINATION**

Question 6 of my letter of 14 August 2019 asked what additional local benefits would be gained by designating sites which were already in Green Belt or Conservation Areas as Local Green Space. I should have asked the same question of sites which are already designated in the Local Plan as Protected Village Amenity Areas and I apologise for not so doing.

I would be grateful if the Parish Council would answer this belated question and can provide an assurance that there will be no further such questions. I would appreciate a swift response if at all possible.

In the interests of transparency, may I prevail upon you to ensure a copy of this letter, and any responses to my questions are placed on the Parish Council and local planning authority's website.

Thank you in advance for your assistance.

Your sincerely

*Bob Yuille*
