(SCDC) Services for survivors of domestic violence and abuse

Freedom of Information Request: Women's Aid Federation of England requests information regarding your services for survivors of domestic violence and abuse. We have formatted this request as a table to make it clear what information we are asking for. If you would like any further clarification, or the request to be submitted in a different format, please do just ask by emailing i.parkes@womensaid.org.uk.

If your local authority does not commission any domestic abuse services, please do skip questions 1) and 2) as only question 3) will be applicable.

Q1) Please fill out this table with information about the all the domestic abuse services your local authority commissions.

Q2) Looking at your total current commissioned spend on domestic abuse provision, it is currently higher or lower or the same as when you last commissioned domestic abuse provision, and if higher or lower, by how much?
e.g. higher by £80,000 over three years

Q3) Does your local authority fund any domestic abuse services outside of a commissioning process? If so, please list them here:
