(SCDC) Children in emergency accomodation

I work with 'The Buddy Bag Foundation'. We are a charity that provide refuges with backpacks for children that have been taken there in an emergency so they have some essential items such as toothbrushes and underwear.

We are reviewing our targets and need some assistance from yourself and other councils. Could you inform me approximately how many children have been taken into emergency housing/refuge fleeing domestic abuse in the last 12 months in your area. This can help make sure we are providing enough bags to the refuges and not saturating them or falling short.

Response
