

Request 6367 – Planning application

re planning approval S/0715/19/VC.

I note a third party that is interested in buying the land has submitted a discharge condition application S/3588/19/DC, I have no objection to it.

a pre app may have been submitted as well since the approval of S/0715/19/VC can you advise me if this is correct and send me any details including drawings.

Response
