**NOTES:**

- For (A) the data includes planning permissions where Policy HG/3 of the Development Control Policies DPD applies and where the target is to achieve a 40% affordable housing contribution either onsite or offsite through a commuted sum contribution.

□ For (B) the data includes planning permissions where Policy H/9 of the submission version and adopted version (post 28 September 2018) of the South Cambridgeshire Local Plan applies and where the target is to achieve a 40% affordable housing contribution either onsite or offsite through a commuted sum contribution.

In September 2018 Policy H/9 was adopted as part of the South Cambridge Local Plan (2018)

In November 2018 Members agreed to require affordable housing on sites of 10 or more dwellings, in line with the National Planning Policy Framework (NPPF) rather than 11 or more dwellings as set out in the submission version and adopted version of Policy H/9.

The data included for 2018/19 uses two different thresholds: 11+ dwelling permitted between 1 April 2018 and 13 November 2018, and 10+ from 14 November 2018-31 March 2019
