

## **Request 7698 - Local Welfare Provision/Assistance**

I am writing to request some information on furniture provision through any form of Local Welfare Provision/Assistance or local crisis fund that you may provide. The questions are attached and pasted below this email.

We are End Furniture Poverty, part of FRC Group which is a group of charities here to get furniture to those who need it. We will use the information you provide to understand where people in crisis can access furniture from their local authority to provide them with guidance, and to see where there may be gaps in the system that we can help to plug.

### **Response**

We ascertain the Council does not hold the information you seek. We do referrals to various charities that provide furniture, but we do not hold records of these.
