

Request 6390 – Planning, planning application

(SCDC) Ref S/2012/08/F – Land to the West of Mascals Farm, Olmstead Green, Castle Camps, CB21 4TW

Planning Ref: S/2012/08/F – Land to the West of Mascals Farm, Olmstead Green, Castle Camps, CB21 4TW

I can see an application that went in for stables (planning reference and full address above) and I can see it was withdrawn. Unfortunately, although I can find application letters and plans, there are no comments to read.

I can see that after the initial application went through a second proposal was submitted, and then eventually withdrawn.

Can you send me the missing documents? Also, was there any other planning applications put through that I'm missing?
