

Request 7224 – Housing, vehicle access

(SCDC) Saffron Rd. Sawston, Cambridge, CB22 3LQ

I would like to know the current SCDC regulations concerning vehicle access rights. To the grassed area which is surrounded but the bungalows in Saffron Rd. i.e. Bungalows 1 to 25 surround this area.

What are the current regulations for:

- a) allowing the use of vehicles on this area
- b) When those regulations came into place
- c) Whether there are any plans to bring any regulations in
- d) Whether any vehicle use in this area contravenes any regulations concerning any Highways or Traffic regulations.
- e) If any of the residents of these bungalows running a business from their bungalows are granted permission to use the grassed area for their business.

Response

- a) there are no regulations about this but it is in the tenancy agreement not to drive on and park on any grassed area
- b) no regulations in place
- c) no plans, it's a tenancy condition
- d) no, the Police have confirmed nothing illegal is going on
- e) nobody has been granted permission to drive on the grass
