

## Request 8094 – Licensed Breeders

I am contacting you in the hope I can obtain an up-to-date list of licensed puppy breeders in the County including their name, address and licence number if possible.

The reason for this request is, my colleague and I are planning to launch a "scammers-free" website where people can confidently and safely browse for their future puppy. We want to ensure everyone advertising on our website has been checked and approved by the relevant Council. By having the official list of licensed breeders we can manually cross reference this with the information they provide us when signing up.

We are hoping to dramatically reduce the amount of illegal and irresponsible puppy selling in the U.K and would greatly appreciate your support with this project. Please direct me to the person who would be best to deal with this request.

### Response

The information you have requested is already publicly available. Regulation 6—(1) EIR states: Where an applicant requests that the information be made available in a particular form or format, a public authority shall make it so available, unless— (a) it is reasonable for it to make the information available in another form or format; or (b) the information is already publicly available and easily accessible to the applicant in another form or format.

This information can be found on [our website](#).
