### APPLICATIONS FOR NEW TYPES OF LICENCES

#### 6. NEW LICENCE APPLICATIONS

##### 6.1 GENERAL

The Licensing Act 2003 (the Act) replaced six existing licensing regimes: public entertainment licences, alcohol, cinemas, late night refreshment, late night cafes and theatres.

These have been replaced with a single integrated scheme and the Act has transferred the responsibility for issuing licences from the Magistrates Court to the local authority (the 'Licensing Authority'). Instead of individual licences for different types of activity, there is three new types of licence:

- A Premises Licence
- A Personal Licence
- A Club Premises Certificate

6.2 The new system provides for a number of different bodies and individuals to make relevant objections (called 'representations') to the 'Licensing Authority' in relation to applications for these new types of licence. Any 'interested party' or 'responsible authority' can make these representations.

**The term 'interested party' refers to any one of the following:**

- a) A person living in the vicinity of the premises;
- b) A body representing persons who live in that vicinity;
- c) A person involved in a business in that vicinity;
- d) A body representing persons involved in such business.
- e) A Parish Council

**The term 'responsible authority' refers to any of the following:**

- a) the police;
- b) the fire authority;
- c) the health and safety authority - South Cambridgeshire District Council ("SCDC");
- d) the local planning authority - SCDC;
- e) the environmental health pollution department - SCDC;
- f) children's services department - SCDC;
- g) the trading standards department - SCDC;
- h) any licensing authority (other than the relevant Licensing Authority) in whose area part of the premises is situated, but **not** the local council itself.

6.3 To apply for a Premises Licence the following criteria apply:

- an application can be made by any person aged 18 or over if they propose to carry on a business which involves the use of premises for licensable activities;
- a Premises Licence covers any place including one in the open air;
- a 'person' can include a business or a partnership. It does not have to be an individual, e.g. hospitals, charities, schools, pub operating companies and cinema chains;
- a husband and wife, or partners can apply jointly as applicants;
- a premises can have more than one licence e.g. a Premises Licence authorising the sale of alcohol may be held by one individual and another can apply for a Premises Licence relating to the same premises or part, which would authorise 'regulated entertainment'.

## 7. APPLICATION FOR A NEW PREMISES LICENCE MUST INCLUDE:

- i) the completed application form
- ii) the licence fee (see PART 6 of this guidance to applicants);
- iii) the Operating Schedule (see note below);
- iv) plan of the premises (see note below);
- v) if the application involves the supply of alcohol, a Form of Consent from the person who is to be specified in the licence as the DPS .

The applicant **MUST** submit a copy of the complete application together with its accompanying documents (if any) to the responsible authorities on the same day as the day on which the application is given to the Council.

Applicants **MUST** advertise the application for a new application for a Premises Licence to the public in two ways (see above).

Application for a Premises Licence or New Club Premises Certificate shall contain a statement of the relevant licensable activities or relevant club qualifying activities which it is proposed will be carried on or from the premises.

## **7.1 OPERATING SCHEDULE**

An Operating Schedule should include information, which is necessary to enable any responsible authority or interested party to assess whether the steps to be taken to promote licensing objectives are satisfactory. Please see 7.2 below.

**The Council will not consider an application without a fully completed Operating Schedule.**

If you are uncertain about how your Operating Schedule will address the licensing objectives you may find it helpful in preparing the Operating Schedule to contact the relevant responsible authority for expert advice (see PART 4 of this guidance for details). The Government Guidance issued under Section 182 of the Licensing Act makes it clear that all parties are expected to work together in partnership to ensure that the Licensing Objectives are promoted collectively. If you liaise with the responsible authorities this may minimise the risk of representations being made by those authorities if they have concerns about the Operating Schedule submitted as part of your application.

**7.2 THE OPERATING SCHEDULE MUST SET OUT:-**

- the licensable activities conducted on the premise;
- the times the relevant licensable activities are proposed to take place;
- any other times the premises are open to the public;
- the period the licence is required for, if limited time;
- where the licensable activities include the retail sale of alcohol, the name and address of the individual to be specified as the Designated Premises Supervisor (DPS);
- where the licensable activities include the retail sale of alcohol, whether consumption is for on or off the premises, or both;
- the steps which the applicant proposes to take to promote the licensing objectives (it is important that the operating schedule should be precise and clear about the measures it is proposed to take to promote the protection of children from harm, e.g. plans for regulated entertainment of an adult nature or with sexual content should be disclosed (in addressing this objective the design and layout of the premises should also be considered).

**7.3 THE OPERATING SCHEDULE SHOULD ALSO INCLUDE:-**

- a general description of the style and character of the business to be conducted on the premises (for example, a supermarket, or a cinema with six screens and a bar, or a restaurant, or a public house with two bars, a dining area and a garden open to customers);
- where alcohol is being sold for consumption on the premises it would be valuable to know what seating is to be provided, as research has shown that this can be relevant to the prevention of crime and disorder;
- an indication of the type of entertainment available on the premises, whether licensable under the Act or not. The type of entertainment provided may give rise to issues concerning the steps needed to protect children from harm and it should be disclosed whether this involves striptease or lap-dancing. Dancing should be made clear in broad terms - whether by the public and/or performers and in what setting. Does the dancing involve striptease or lap, table-side dancing;

- If music is to be provided, then the type of music must also be stated. In the case of passenger vessels, it will also be valuable for the area within any vessel where licensable activities takes place to be described. This type of information is essential so that the 'responsible authorities' and 'interested parties' can form a proper view as to what measures may be necessary to ensure public safety and prevent public nuisance.

#### 7.4 PLAN OF THE PREMISES

The following items must be shown on the plan of the premises that is required to accompany the application:

- a) the extent of the boundary of the building, if relevant, and any internal and external walls of the building and, if different, the perimeter of the premises;
- b) the location of points of access to and egress from the premises;
- c) if different from (b) above the location of escape routes from the premises;
- d) in a case where the premises is used for more than one licensable activity, the area within the premises used for each activity;
- e) fixed structures or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exits or escape routes without impediment;
- f) in a case where the premises includes a stage or raised area, the location and height of each stage or area relative to the floor;
- g) in a case where the premises includes any steps, stairs, elevators or lifts, the location of the steps, stairs, elevators or lifts;
- h) in a case where the premises includes any room or rooms containing public conveniences, please include the location of the room or rooms;
- i) the location and type of any fire safety and any other safety equipment; and
- j) the location of a kitchen, if any, on the premises.
- k) The local Authority may use its discretion as to the scale of the plans submitted, however it is usually 1:100.

The plan may include a legend through which the matters mentioned or referred to above are sufficiently illustrated by the use of symbols on the plan.

### **NB (section 135 of the Licensing Act 2003)**

It is the duty of a Personal Licence holder to produce their licence for examination to any police constable or an authorised officer of the Council. This section applies where the holder of a Personal Licence is on a premises to make or authorise the supply of alcohol which are authorised by a Premises Licence or are a permitted temporary activity on the premises by virtue of a Temporary Event Notice ("TEN"). Failure to comply with the requirement to produce the licence may result in prosecution.

## 13. TEMPORARY EVENT NOTICES ("TEN's")

### 13.1 GENERAL

TEN's provide authorisation for licensable activities for limited duration. TEN's require the 'premises user' to give notice to the Council 10 working days before the event takes place. Working days are defined as Monday to Friday in the Act. The premises user **MUST** also give a copy of any TEN to the relevant Chief Officer of Police no later than 10 working days before the event begins.

No grant or approval is required provided there is no Police objection. Only the Police may object and only if they are satisfied that the crime prevention objective would be undermined. Such objections **MUST** be made to the Council within 2 working days of receipt of the notice.

13.2 A TEN is required for the sale of alcohol by retail, provision of regulated entertainment and/or the provision of late night refreshment, which is to take place at premises, which are currently unlicensed for the activities involved. There

is nothing to stop a TEN being given for premises where a premises licence is already in force (but does not cover the temporary event).

Temporary events are subject to the following conditions and limitations:

- duration – up to 96 hours which can be continuous;
- scale – no more than 499 people at any one time;
- use of same premises on no more than 12 occasions per calendar year (subject to overall aggregate of 15 days);
- the number of notices given by individuals – Personal Licence holders up to 50 in one year, non Personal Licence holders up to 5 in one year;
- minimum of 24hrs between TEN's given by a premises user.

If the above criteria cannot be fulfilled then the temporary event will require a Premises Licence.

**NB**

1. Whilst a minimum of 10 working days notice must be given to the Council and the Police for applications, it should be noted that this gives very little time for the Council to process the application and for the police to respond. Applicants are encouraged to provide a minimum of 28 days notice of a licensable event.
2. When premises are being used for one or more licensable activities which are permitted temporary activities the 'Premises User' **MUST** either:-
  - i) ensure that a copy of the TEN is prominently displayed at the premises;  
or
  - ii) ensure that the TEN is kept at the premises in his custody; or in the custody of a person present and working at the premises whom he has nominated for this purpose; and in that case secure that a notice specifying the name of the person and their position is prominently displayed. It is an offence to fail without reasonable excuse to comply.

Whether or not parts (i) or (ii) above are not met a police constable or authorised officer of the Council may require the 'Premises User' to produce the TEN for examination.

## PART 3

### ADDITIONAL GUIDANCE

#### 14. LATE NIGHT REFRESHMENT

14.1 Under the Licensing Act 2003, the provision of late night refreshment is a licensable activity and covers businesses selling hot food or hot drink between the hours of 11pm and 5am. The Act is mainly aimed at covering takeaways and late night cafes, including mobile vans.

14.2 The Act exempts:

- premises selling immediately consumable food such as bread, milk or cold sandwiches in an all night grocers shop, unless they are selling hot food or hot drink;
- the supply of a hot drink by means from a vending machine, so long as it is operated by members of the public without the involvement of the staff on the premises;
- the supply of hot food or hot drink free of charge;
- supplies by a registered charity;
- supplies from vehicles, other than when they are permanently or temporarily parked.

Additionally, the following are exempt if there is no admission to the public and supplies are to:

- persons staying overnight in a hotel, guest house, lodging house, hostel, caravan or camping site, etc where the main purpose is providing overnight accommodation;
- staff canteens;
- a person engaged in a profession or vocation (e.g. tradesman carrying out work at a particular premises);
- a guest of any of the above.

The provision of hot food for a charge by a vending machine is licensable when the food has been heated, even though no staff on the premises may have been involved.

14.3 A Personal Licence is not required if there is no supply of alcohol.

#### **NB**

If you are supplying hot food or hot drink to members of the public between the hours of 11.00pm and 5.00am for consumption either on or off the premises and you do not fall within the exemptions listed above, and you do not have an existing licence which will entitle you to continue to serve hot food and drink on conversion of that licence then, you **MUST** apply to the Council for a Premises Licence.

## 15. FURTHER INFORMATION ON PERSONAL LICENCES

### 15.1. CHANGE OF NAME/ADDRESS

The holder of a Personal Licence has a duty to inform the Council the licence originated from, as soon as is reasonably practicable, of any change of name or address as stated in the Personal Licence. The Personal Licence and the correct fee of £10.50 should accompany this (see PART 6 of this guidance). Any person failing to do this will be committing an offence.

## 16. CONVICTIONS

16.1 The holder of a Personal Licence has a duty to notify the Council of any convictions for relevant offence or comparable foreign offence as soon as reasonably practicable following conviction (see PART 5 of this guidance to applicants). Similarly the Courts are required to inform the Council of convictions, whether or not they have ordered the suspension or forfeiture of the licence. If a licence is suspended or declared forfeit, then the Council will contact the Personal Licence holder, requesting the licence. The Council will retain any licence declared forfeit. Allied to these provisions is the duty of a Personal Licence holder when charged with a relevant offence to either produce to the Court the Personal Licence or if that is not practicable notify the Court of the existence of the Personal Licence and the identity of the relevant licensing authority along with the reasons why he cannot produce the licence. This **MUST** be done no later than the time he makes his first appearance in a Magistrates' Court.

## 17. RECORDS

17.1 The Council will maintain accessible records of licences issued. It will also provide a service that will enable the police in any area and other licensing authorities to be advised of details on Personal Licence holders. A central database containing the details of all Personal Licence holders is likely to be developed in due course (the Secretary of State to detail).

## 18. RENEWALS

- i) an application for the renewal of a Personal Licence must be made to the Council which granted the original Personal Licence
- ii) an application for renewal can only be made during the period of two months beginning three months before the time the licence would expire.

### **NB**

**If an application for renewal is not correctly made, then it will be returned to the applicant unprocessed.**

18.1 The application **MUST** be accompanied by all of the documentation as outlined below:

- i) current Personal Licence or a statement of the reasons of any failure to provide it;
- ii) two photographs (as detailed in PART 2 of this guidance) including your current Personal Licence or a statement of the reasons for failing to provide the licence;
- iii) a criminal conviction certificate etc (as detailed in PART 2 of this guidance);
- iv) a completed disclosure of criminal convictions and declaration form ;
- v) the fee for the application (see PART 6 of this guidance).

## **19. SURRENDER OF LICENCE**

19.1 A Personal Licence issued by South Cambridgeshire District Council may be surrendered upon notice to the Council, provided the notice is accompanied by the licence or if not practicable, a statement of the reasons for failing to provide the licence. The Personal Licence will lapse upon receipt of the notice of surrender by the authority.

## **20. THEFT, LOSS, ETC**

20.1 In the event of a Personal Licence being lost, stolen, damaged or destroyed, Personal Licence holders can apply to the Council for a copy, provided it is the authority that issued the original licence. You must satisfy the Council that the licence has been lost, stolen, damaged or destroyed and that where lost or stolen, the holder has reported such to the police.

20.2 Applications for a replacement should also be accompanied by:

- the correct fee of £10.50
- a photograph (endorsed as a true likeness by a person of professional standing e.g. solicitor, notary, teacher, lecturer or other professional person).

## **21. FURTHER INFORMATION ON PREMISES LICENCES**

### **21.1 CHANGE OF NAME/ADDRESS**

Holders of Premises Licences must, as soon as is reasonably practicable, inform the Council of any change of name or address of the Premises Licence holder or of the Designated Premises Supervisor. The notification must be accompanied by the licence and by the correct fee of £10.50. Any person failing to do this will be committing an offence.

## 22. DESIGNATED PREMISES SUPERVISOR (DPS)

22.1 Each premise will have **one DPS** who must hold a Personal Licence. The main purpose of the DPS is to ensure there is always one specified individual among the Personal Licence holders who can be readily identified for the premises where a Premises Licence is in force.

This person will normally be given day-to-day responsibility for running the premises, and be the person who is the Premises Licence holder.

A person designated as the DPS in respect of any premise licence may give the Council notice of their desire to cease being the DPS.

If the DPS **IS** the holder of the Premises Licence, the notice must also be accompanied by:

- the Premises Licence (or the appropriate part of the licence) or; if that is not practicable;
- by a statement of the reasons for the failure to provide the licence (or part).

If the DPS is **NOT** also the Premises Licence holder, then they **MUST** no later than 48 hours after giving the Council notice of their desire to be replaced as the DPS:

- send a copy of the notice to the holder of the Premises Licence; and also
- a notice directing the Premises Licence holder to send to the Council within 14 days of receiving the notice the Premises Licence (or the appropriate part of the licence; or if that is not practicable, a statement of the reasons for the failure to provide the licence (or part).

If the Premises Licence holder does not send the licence or a statement of reasons to the Council within 14 days of an offence is committed.

Where a DPS has served notice on the Council and where necessary, on the Premises Licence holder, then they are treated, from either the time the Council received the notice or, if later, the time specified in the notice, as if he/she was no longer the DPS.

## 23. COMMUNITY PREMISES

A Community Premises may apply for the mandatory alcohol condition under the Licensing Act 2003 requiring a Designated Premises Supervisor in respect of a premises licence to be disapplied.

A successful application will mean that a community premises will not require a Designated Premises Supervisor to be in place where village halls or community premises hold a licence to sell alcohol.

On applying for the removal of the requirement to have a Designated Premises Supervisor, the management committee should understand that if this is granted they will be responsible for all alcohol sales under the licence.

The applicant must be a committee or board of individuals with responsibility for the management of the premises.

You will be asked to describe the premises and management structure within your application. In particular, explain why you consider it to be a community premises i.e. is it available for community benefit most of the time and accessible by a broad range of persons and sectors of the local community for purposes beneficial to the community as a whole. If the community premise is a registered charity, please include its Charity Commission number in your application. Set out how the premise is managed and the structure of the committee or board of individuals with responsibly for its management (including the names of the committees' of board's key officer, e.g. the chair, secretary, treasurer). Please include any documents e.g. a written constitution or other management documents that show the structure of the premises and how it is managed.

You will be asked to describe how the supervision of alcohol sales is to be ensured in different situations (including e.g. when the community premises is hired to private parties, when the community premises is hired for large fundraising events and when the community premises is hired for short fundraising events by local voluntary organisations). Set out how responsibility for alcohol sales is to be determined in individual cases and discussed and reviewed within the committee or board's procedure in the event of any issues arising. You should include copies of hiring agreements that describe the arrangement made between the committee premises and the hiring party. You should note that sample hire agreements are available from e.g. ACRE and Community Matters. More information about these hire agreements is contained in Statutory Guidance.

Applications to substitute the section 19(4) mandatory condition must be made by a management committee or similar structure, which holds or will be the holder of the premises licence for the community premises. Please state in what capacity you are signing the application (e.g. Committee Chair, committee member, Hall Secretary etc).

Please send a copy of the application form to the Chief Officer of Police for your area.

## **24. INTERIM AUTHORITY (Section 47 of The Licensing Act 2003)**

- 24.1 A Premises Licence will remain in force for as long as the holder continues to operate the business. In the event of the licence holder dying, becoming mentally incapacitated or insolvent, persons with an interest in the premises or connected to the licence holder can give an 'interim authority' to the Licensing Authority. It should be made in the prescribed form and accompanied by the correct fee.
- 24.2 The notice will have the effect of reinstating the licence, allowing the provision of the licensable activities to continue, pending the application to transfer the licence. An interim authority only has effect for two months.

## **25. PROVISIONAL STATEMENTS (Section 29 of The Licensing Act 2003)**

- 25.1 A provisional statement can be applied for where premises are being constructed, extended or substantially changed structurally. The provisional statement is designed to provide some assurance that a Premises Licence covering the desired licensable activities would be granted for the premises when the building work is completed.
- 25.2 Applications for a provisional statement can be made by any person aged 18 or over (which may also include a firm of architects, construction company or financier). They should describe the work to be done and the planned licensable activities. Applications will be dealt with in a similar manner to an application for a Premises Licence and should be advertised and copied to the responsible authorities in the same manner, with the correct fee. However, applicants should note that a Schedule of Works giving details of the work (including plans) being done or about to be done at the premises **MUST** be enclosed with the application

## **26. REGISTERED CLUBS (Sections 60 - 97 of The Licensing Act 2003)**

- 26.1 The Licensing Act recognises that premises to which the public have restricted access and where alcohol is supplied rather than sold for profit, should be treated differently from commercial enterprises selling direct to the public.
- 26.2 These clubs are organisations where members have joined together for particular social, sporting or political purposes and then combined to buy alcohol in bulk as members of the organisation for supply in that context. These for example include political clubs, the Royal British Legion, ex-services clubs, working men's clubs and social and sports clubs.
- 26.3 To qualify, a club must meet five conditions:-
- (1) that under the rules of the club persons may not be admitted to membership or be admitted, as candidates to membership, to any of the privileges, without an interval of at least 2 days between their nomination or application for membership and their admission;
  - (2) that under the rules of the club persons becoming members without prior nomination or application may not be admitted to the privileges of membership without an interval of at least 2 days between their becoming members and their admission;
  - (3) the club is established and conducted in good faith as a club;
  - (4) the club has at least 24 members;
  - (5) that alcohol is not supplied or intended to be supplied, to members on the premises otherwise than by or on behalf of the club.

26.4 A club must also satisfy the additional conditions referred to in Section 64 of the Act which in brief are that the purchase of alcohol for the club and the supply of alcohol, are managed by a committee of elected club members aged 18 years or over; no arrangements are made for any person to receive at the expense of the club any commission relating to purchases of alcohol by the club and finally that no arrangements are made for any person to derive a pecuniary benefit from the supply of alcohol other than that which accrues to the club as a whole (please note there is special provision for industrial and provident societies, friendly societies, etc).

26.5 The grant of a Club Premises Certificate entitles a club to certain benefits, including:

- the authority to supply alcohol to members and to sell it to guests without the need for a member or employee to hold a Personal Licence;
- no requirement to specify a Designated Premises Supervisor;
- no requirement for a Personal Licence.

A qualifying club may admit associate members and their guests in addition to their own members and guests without affecting the Club Premises Certificate.

Clubs run commercially by individuals, partnerships or businesses for profit are not regarded as qualifying clubs and require a normal Premises Licence.

The arrangements for an application or variation for a Club Premises Certificate should be made as for a Premises Licence. An Operating Schedule is required showing the steps the club intends to take to promote the licensing objectives.

## **27. REGULATED ENTERTAINMENT (Section 1 of Schedule 1 of The Licensing Act 2003)**

27.1 Under the Licensing Act 2003, the provision of regulated entertainment is a licensable activity. Schedule 1 of the Act contains these provisions.

27.2 Entertainment facilities provided for members of the public, a section of the public, members of a qualifying club or any other entertainment provided for profit, where the premises are made available to enable the entertainment to take place, require a licence.

27.3 There are some exemptions, including:

- film exhibitions for the purpose of advertisement, information, education, etc.;
- film exhibitions, museums and art galleries;
- music incidental to certain other activities;
- use of television or radio receivers;
- religious meetings or services or at places of religious worship;
- garden fetes, etc.;

- morris dancing;
  - vehicles in motion;
  - demonstration of a product e.g. guitar in a music shop;
  - rehearsal of a play or rehearsal of a performance of music to which the public are not admitted.
- 27.4 Pub games e.g. pool, darts, etc do not constitute public entertainment and are not licensable as they are for the private enjoyment of the participants.
- 27.5 Games staged for spectators e.g. championship competitions are licensable.
- 27.6 The provision of a jukebox, where the public can self-select background music for their own enjoyment is not an entertainment facility and therefore not licensable. However, this exemption does not apply where the jukebox music is played at high volume.
- 27.7 A karaoke machine provided for the use of and entertainment of customers or a dance floor provided for use are entertainment facilities are licensable.
- 27.8 Musical instruments made available for the purpose of being entertained constitutes an entertainment facility and is licensable.
- 27.9 Private entertainment events can involve licensable activities. Private entertainment events to which the public are not admitted (e.g. a wedding reception) are generally not licensable unless they are held for consideration and with a view to profit e.g. provision of a bar at the wedding reception operated for profit as opposed to free alcohol provided by the family. Recovery of the cost of entertainment is not regarded as making a profit. However private events held in separate rooms of a public house or hotel, would normally be an event, which needs to be covered by the Premise Licence held by the public house or hotel. Here the management is making available entertainment facilities (e.g. a dance floor) and the premises (a room) for the performance of music and entertainment of those attending. This would be at a charge and for profit and is therefore licensable.

## 28. RENEWAL

**There is no renewal procedure as once a Premises Licence is granted it is indefinite and will last for the duration of the business. Premises Licence holders will be required to pay an annual fee, which is determined based on the Rateable Value of the premises.**

## 29. REVIEWS (Section 51 and Section 87)

29.1 The review of a Premises Licence or Club Premises Certificate represents a key protection for the community where problems are occurring associated with crime and disorder, public safety, public nuisance or the protection of children from harm.

29.2 At any stage a “responsible authority” or “interested party” (e.g. resident living in the vicinity of the premises) may apply to the Council to review the licence because of a matter arising at the premises in connection with any four of the licensing objectives. The application for review must not, however, be repetitious, i.e. identical or substantially similar to:

- a ground for review specified in an earlier application for review;
- representations considered when the Premises Licence was first granted;
- similar to representations made when application was first made, which were excluded as being not relevant, vexatious or frivolous.

29.3 A reasonable interval must have elapsed since an earlier application for a review or the grant of the licence as the case may be. Government guidelines recommend 12 months, save in exceptional and compelling circumstances.

29.4 Upon receipt of a request for a review, which meets the criteria, a hearing will be arranged, unless all parties agree that a hearing is not necessary. There are a range of powers available to the Council including:

- take no action;
- issue an informal written warning to the licence holder;
- modify the conditions of the Premises Licence;
- exclude a licensable activity;
- remove the Designated Premises Supervisor;
- suspend the licence for a period not exceeding three months;
- revoke the licence.

## 30. SMALL PREMISES (Section 177 of The Licensing Act 2003)

30.1 Section 177 of the Act provides that where there is:-

- premises with a capacity limit of up to 200 persons;
- providing the sale or supply of alcohol ‘on’ the premises;
- and providing music entertainment (i.e. live music or dancing);
- where the main purpose of the Premises is for the consumption of alcohol.

that any conditions relating to the provision of the music entertainment **imposed** by the Council will be suspended **UNLESS** imposed on grounds of public safety or prevention of crime and disorder.

30.2 The suspension does not apply to conditions offered by the licence holder in the Operating Schedule.

Where:

a Premises Licence or Club Premises Certificate authorises the provision of music entertainment, and  
the premises have a capacity limit of 200 or less

then between 8.00am and Midnight

if the premises are used for live unamplified music (but no other form of regulated entertainment)

then **ANY** condition imposed by the Council in relation to the provision of the music entertainment will be suspended.

30.3 The above may not apply however, following the review of a licence.

30.4 Section 177 applies only to premises with a 'permitted capacity' of up to 200 persons. The capacity must be one imposed through the premises fire certificate, or where the fire certificate does not include a capacity or one does not exist, the fire authority must be asked to make a recommendation on the capacity of the premises.

30.5 The capacity limit applies to the area covered by the Premises Licence or Club Premises Certificate and not just to part of those premises, unless separately licensed.

### **31. TRANSFER (Section 42 of The Licensing Act 2003)**

31.1 If you wish to transfer the Premises Licence into another name you can apply for the transfer of a Premises Licence.

31.2 Applications to transfer the licence must be:

- made to the Council in the prescribed form
- made by persons aged 18 or over;
- accompanied by the correct fee of £23.00
- accompanied by the Premises Licence or relevant part of it for explanation as to why the Premises Licence is not be able to be produced;
- accompanied by a Consent Form signed by the existing Premises Licence holder or a statement as to why it is not enclosed

31.3 The applicant must notify the DPS specified in the licence of the application to transfer the licence and if successful, details of the transfer of the Premises Licence. Failure to do so is an offence.

**NB**

The applicant **MUST** give notice of the application to the Chief Officer of Police for the police area in which the premises are situated by sending a copy of the application together with accompanying documents (if any) on the same day on which the application was given to the Council.

31.4 The applicant can request that the transfer be given immediate effect and generally requires the consent of the holder of the Premises Licence, although no consent is required if you can demonstrate that you have taken all reasonable steps to obtain that consent and that you are in a position to use the premises straight away for licensable activities authorised by the licence. This will allow licensable activities to be carried on at the premises without interruption, pending the determination of the transfer application. If the application to transfer is rejected, then you cease to be treated as the holder and the licence reverts to the person holding it before the application was made.

31.5 The police can object to the transfer under the prevention of crime and disorder objective and if so, must provide reasons to the Council within 14 days of receipt.

**32. VARIATIONS - SEE PARTS 2 AND 3 OF THIS GUIDANCE**

**33. VEHICLES (Section 189 of The Licensing Act 2003)**

33.1 Under the Licensing Act 2003, alcohol may not be sold on a moving vehicle. The Council may consider applications for the supply of alcohol from a vehicle when it is parked or stationary, e.g. parked at a special event. Any permission granted will relate to the place where the vehicle is parked and sales are to take place.

**34. NB**

The holder of a Premises Licence MUST secure that the summary of the licence or a certified copy of that summary is displayed in a prominent position at the premises together with a notice of the name of the person who holds and has control of the Premises Licence kept at the premises. That person shall be either:-

- i) the holder of the licence; or
- ii) a person who works at the premises whom the holder has nominated to have control of the Premises Licence.

**35. DEFINITIONS of:**

**"the Act"**: means the Licensing Act 2003;

**"college"** : means a college or similar institution principally concerned with the provision of full-time education suitable to the requirements of persons over compulsory school age who have not attained the age of 19;

**"rateable value"** : as regards a premises, is the value for the time being in force for the premises entered in the local non-domestic rating list for the purposes of Part III of the Local Government Finance Act 1988(b); and

**"school"**: means a school within the meaning of section 4 of the Education Act 1996(c).

## **PART 4**

### **MATTERS TO BE TAKEN INTO CONSIDERATION WHEN COMPLETING THE OPERATING SCHEDULE**

#### **THE PREVENTION OF CRIME & DISORDER**

The essential purpose of the licence in this context is to regulate behaviour on the premises or in the immediate vicinity of the premises when they seek entry or to leave.

CCTV both inside and immediately outside premises can actively deter disorder, anti-social behaviour and crime generally.

Other considerations could include for example, glass bottle bans, the use of plastic glasses, or joining voluntary pub watch schemes.

Text and radio pagers may be considered necessary for public houses, bars and nightclubs operating in the city area. Door supervisors conducting security activities will have to be registered with the Security Industry Authority.

Irresponsible drinks promotions or discounting may lead to crime and disorder.

Although most common on public safety ground, capacity limits and/or an appropriate ratio of tables and chairs to customers based on the capacity may be necessary to prevent overcrowding which can lead to disorder and violence.

Proof of age policies may be applied including the Proof of Age Standards Scheme (PASS) accreditation system, photo driving licences, Cambridgeshire County proof of age scheme and passports.

#### **PUBLIC SAFETY**

The public safety objective is concerned with the physical safety of people using the premises. It is not concerned with public health, which is adequately dealt with in other legislation.

Safe capacities will only be imposed where necessary for public safety, e.g. if a fire certificate for premises includes certain conditions, it would be unnecessary to repeat these in the Premises Licence. If however the fire certificate were granted when the premises future use was not known, the licensing and fire authority may wish to impose a new capacity to apply when the licensable activities are taking place. Capacities attached to Premises Licences may also be beneficial in preventing crime and disorder as overcrowded venues can increase the risks of disorder and crowds become frustrated and hostile. See also the small premises section for capacities of up to 200.

A satisfactory fire risk assessment should be undertaken and submitted with the operating schedule covering the following items (taken from the Guide to Fire Precautions in existing places of entertainment and like premises):

- satisfactory means of escape (taking into account the number of persons likely to be in the premises and the adequacy of the available escape routes and exit doors);
- means of giving warning in case of fire (taking into account the size and layout of the premises);
- portable fire fighting equipment (taking into account the general requirement and equipment provided to cover specific risks);
- normal and secondary lighting (taking into account all areas that may be used);
- signs and notices (taking into account all fire safety related signs and notices required to indicate the escape routes and ensure the integrity of the escape routes);
- management responsibilities (taking into account staff fire training and other related responsibilities including assisting persons with disabilities);
- seating arrangements (taking into account the number, location and type);
- fire resistance, surface finishes, furniture and furnishings (taking account of relevant guides, codes of practice and British standards);
- the use and safe management of Pyrotechnics and other special effects, including dry ice machines, cryogenic fog, fog generators, real flame, firearms, motor vehicles, strobe lighting, lasers, explosives and highly flammable substances;
- any other information relevant to the premises.

### **NB**

Where fireworks and laser displays are held, and are accompanied by music or dance in respect of regulated entertainment, the use of fireworks, lasers, and any other pyrotechnics has to be brought to the attention of the Council by the inclusion of such in the Operating Schedule.

### **THE PREVENTION OF PUBLIC NUISANCE**

Under the prevention of public nuisance objective, the Council and other responsible authorities will focus on impacts of the licensable activities at specific premises. Particular emphasis on disproportionate and unreasonable activities will be considered for people living, working and sleeping in the vicinity. The issues will mainly concern noise nuisance, light pollution, refuse, and possibly noxious smells. Public nuisance in this context retains the broad common law meaning, so can include low-level nuisance affecting a few people living locally, as well as a major disturbance affecting the whole community. The Operating Schedule should clearly specify the steps that will be taken for the prevention of public nuisance. Simple mechanisms can be put in place e.g. ensuring that doors and windows are kept closed to more sophisticated ones like sound level limiters on amplification equipment or sound proofing.

## **THE PROTECTION OF CHILDREN FROM HARM**

The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes the protection of children from too early an exposure to strong language and entertainment of a sexual nature, e.g. film exhibitions where adult entertainment is provided.

The operating schedule could include:

- where alcohol is sold, requirements for the production of a proof of age card;
- limitations on the hours when children may be present;
- limitations on the presence of children under certain ages when specified activities are taking place;
- age limitations (below 18);
- limitations or exclusions when certain activities are taking place;
- requirements for an accompanying adult;
- full exclusion of people under 18 when licensable activities are taking place;
- design and layout of the premises.

Proof of age policies may be applied (see also Crime and Disorder above) and support of the Portman Group's code of practice, which seeks to ensure that drinks are packaged and promoted in a socially responsible manner to those 18 years old or over.

The British Board of Film Classification would normally classify films or the local authority and age restrictions strictly adhered to. Many films are unsuitable for viewing by children.

Entertainment specifically for children may require a sufficient number of adult staff to ensure the well being of any children in an emergency.

### **Safer Clubbing - Drugs Policy**

Nightclubs are an inherent part of social life for young people. Premises should have regard for the Safer Clubbing Guide, which the Council fully endorses and in particular the checklist of important measures contained in Annex J of the guidance issued under section 182 of the Act, e.g. providing free and easily accessible supplies of cold water, considering the provision of safe transport home, etc. Premises may wish to adopt a written drug policy and refer to these matters in their operating plan.
