

Request 8252 – Budget has been allocated to sustainability

We are looking to understand how much the council has budgeted to spend and invest in sustainability this financial year, we would be interested, specifically, what has been allocated to help contribute to carbon emissions reduction targets and to climate change adaptation.

Response

The latest budget figures I have for Sustainability and Greener Energy Projects for this financial year are below and total £3,090,214.

Sustainability 81,319 Projected budget for 2020/21

Green Energy (Renewables Grants etc...) 174,895 Projected budget for 2020/21

E-RCV 388,000 electric refuse collection vehicle

LED Lighting 1,400,000 Migration to LED Footway Lighting around the District

Depot Electric Charging Infrastructure 18,000

South Cambs Hall Energy Efficiency 1,028,000
