

Request 8601 – Supported Housing

I would be interested in any information held by the local authority regarding my request. I understand that I do not have to specify particular files or documents, and it is the departments' responsibility to provide the information I require. If you need further clarification, please do not hesitate to contact me via email.

1. Please provide me with the number of people aged between 18 and 64 who are currently housed within supported living accommodation for your local authority area.
2. Please provide me with the number of people aged between 18 and 64 who are currently waiting to be housed within supported living accommodation for your local authority area.
3. Please provide details of how many referrals for people aged between 18 and 64 were made by the local authority in 2019 and 2020 into supported living accommodation, by the local authority.

Response

We ascertain the Council does not hold the information you seek. Allocation to specialist supported housing falls outside of the usual Home-Link allocation system for social housing and we do not specifically record where we have referred someone to a supported housing.
