

## **Request 8690 – Councillors allowances**

I am attempting to find out the total allowances for Cllr Handley for 2019/20. Having gone to the appropriate page on your web site I see that the format in which the information is given was changed for 2019/20. It is now so small that it is impossible to read. I have tried to enlarge it but cannot. Would you please supply the information I request, with the sums split into various categories ie basic, special allowances etc.

### **Response**
