

Request 8729 Historic Planning Permission

In November last year I submitted an enquiry to Planning for access to planning permission C/0023/52/ for the erection of a house and private garage at Bwthyn Bach, Church Lane, Knapwell CB23 4NW granted 07/10/1952. Specifically we require sight of the planning permission and the plans held on the Council's file. Whilst we understand the difficulties due to coronavirus, this is now becoming pressing and I am hoping the FOI route may be more positive.

Response

These documents are now available on the [planning portal](#).
