

Request 8818 Licensing

Further to my telephone call to your office this morning I would really appreciate if by close of play today you could provide me with answers to the following questions? I have studied your Hackney Carriage and Private Hire Licensing Policy dated 1 April 2020, which has been an excellent source to answer most of my questions. If too time consuming to complete Questions 1-3 please provide an estimate as to what percentage of your vehicles are wheelchair accessible

- 1) How many Hackney Carriages and Private Hire Vehicles are in your fleet?
- 2) How many Hackney Carriages are Wheelchair accessible?
- 3) How many Private Hire Vehicles are Wheelchair accessible?
- 4) Are written off vehicles permitted? If so is there an insurance category that has to be complied with?

I apologise for the short notice but would really appreciate you completing this as completely as possible given the time constraints
