

Request 8826 SIRO's

Q1: Whom is the new Council's SIRO? I believe I am correct in saying the previous one has recently left, (A name and job title, or if they are below the disclosable level just a job title is fine).

Q2: What is the new SIRO's organisation contact email (a generic email is fine if you do not wish to disclose their personal email)?

Response

The current SIRO (Senior information Risk Owner) for South Cambridgeshire District Council is Susan Gardner-Craig, details of our leadership team and how to contact them can be found on [our Leadership team structure webpage](#).
