

Request 8898 Everyone in Funding and Spend

1. How much funding did your council receive from MHCLG as part of the initial 'Everyone In' programme (March 2020)?
2. Between the start of Everyone In (26/03/2020) and the 31st March 2021, what was the total spend on sustaining the support for rough sleepers as part of Everyone In (i.e., keeping people in accommodation, providing services they needed)?
3. Please list all of the additional funding sources that you have used between 26/03/2020 and 31/03/2021 to support this effort? (i.e., if your council spent more on 'Everyone In' than the initial funding provided, where did this come from?).
4. How many people were housed under 'Everyone In' in your council area?
5. How many of these have been re-settled?
6. And how many have returned to rough sleeping (at the time of completing this request)?

Response

I hope the following will answer your query:

1. £1,650 (Covid-19 rough sleeping contingency fund)
2. Estimate - £26,990
3. Claim for funding from CWP (£4,357) and Protect plus (£4,800) submitted
4. 25
5. 15 (we are still working and accommodating some of the 25)
6. Not known although we have re-accommodated some whose tenancy have not lasted
