

Request 9058 Warden Assisted Living

1. How many warden/assisted living schemes the council has provided funding for, for the following years:
2021/22
2020/21
2019/20
2018/19
2017/18
2. How much money was provided for warden/assisted living schemes for those years?

Response

We do not have any wardens living on sheltered housing schemes now (and haven't done for several years). Our Sheltered Estate officers are responsible for more than one scheme and make regular visits to check on residents.
