

## Request 9460 – Call off Contracts

I am doing a research project investigating call-off contracts in the public sector. I have identified some potential call-off contracts awarded by South Cambridgeshire District Council, but I can't find details of the framework agreement they were awarded from.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of Framework used" and "contracts finder or ted link") is where I am missing information - please could you fill these in.

I have provided the title, description, details of the email contact from the notice, the value of the contract and procedure type used to award each potential call-off as well as a URL link to the call-off in question and unique reference ID for each potential call-off. Please let me know if there is anything else you need to complete the request.
