

## **Request 8451 – S106 and other developer contributions data held by this local authority**

1. Does this local authority keep a record of the amount of S106 healthcare contributions that have received/will be received from each local housing development when it has been built? If so please provide a copy of the latest S106 healthcare contributions data held by the local authority, indicating each development site's planning application reference, number of dwellings and the amount of S106 healthcare contributions that have been received/will be received from each local housing development in this local authority's area.
2. Does this local authority keep a record of the amount of S106 education contributions that have been received/will be received from each local housing development when it has been built? If so please provide a copy of the latest S106 education contributions data held by the local authority, indicating each development site's planning application reference, number of dwellings and the amount and type (early years, primary, secondary, SEN) of S106 education contributions that have been received/will be received from each local housing development in this local authority's area.
3. Please provide a copy of, or a link to, the most up to date Infrastructure Funding Statement ("IFS") held by this local authority. If an IFS is not currently available please confirm the date when it will be published.
4. Please provide a copy of all the developer contributions data that has been submitted by this local authority to the government since Sept 2019, according to the MHCLG "Publish your developer contributions data" guidelines set out here: <https://www.gov.uk/guidance/publish-your-developer-contributions-data>

### **Response**

1. Does this local authority keep a record of the amount of S106 healthcare contributions that have received/will be received from each local housing development when it has been built? If so please provide a copy of the latest S106 healthcare contributions data held by the local authority, indicating each development site's planning application reference, number of dwellings and the amount of S106 healthcare contributions that have been received/will be received from each local housing development in this local authority's area.

South Cambridgeshire District Council maintains full records of all payments to be made and those that are due to it from section 106 planning obligation agreements. Please see attached document for report.

2. Does this local authority keep a record of the amount of S106 education contributions that have been received/will be received from each local housing development when it has been built? If so please provide a copy of the latest S106 education contributions data held by the local authority, indicating each development site's planning application reference, number of dwellings and the amount and type (early years, primary, secondary, SEN) of S106 education contributions that have been received/will be received from each local housing development in this local authority's area.

South Cambridgeshire District Council does hold some data however it is not complete, the way the data is held it would take significant time and is likely to be incomplete. It would be more beneficial to direct this part of your enquiry to Cambridgeshire County Council as the Local Education Authority county is likely to hold all the information.

<https://www.cambridgeshire.gov.uk/council/data-protection-and-foi/information-and-data-sharing/requesting-information-under-the-freedom-of-information-act>

3. Please provide a copy of, or a link to, the most up to date Infrastructure Funding Statement ("IFS") held by this local authority. If an IFS is not currently available please confirm the date when it will be published.

South Cambridgeshire District Council has not yet published its Infrastructure Funding Statement

4. Please provide a copy of all the developer contributions data that has been submitted by this local authority to the government since Sept 2019, according to the MHCLG "Publish your developer contributions data" guidelines set out here:

<https://www.gov.uk/guidance/publish-your-developer-contributions-data>

South Cambridgeshire District Council has not yet submitted any data to MHCLG
