

## Request 8783 Homeless

I am making this request under the Freedom of Information Act 2000 and on behalf of the Refugee, Asylum and Migration Policy (RAMP) project.

The Government claims to have helped 33,000 people through their 'Everyone In' rough sleeping strategy since the Covid-19 pandemic began. However, we know that not all of the 33,000 people were funded by the Ministry of Housing, Communities & Local Government, particularly if they had 'No Recourse to Public Funds' (NRPF) conditions attached to their immigration status. Local authorities have picked up the bill for providing accommodation to those with NRPF and RAMP is seeking to find out exactly how many people fall into this category.

I am therefore requesting the following information about the 'Everyone In' support scheme for rough sleepers during the Covid-19 pandemic:

1. Based on the data you have already provided for the Government dataset 'Coronavirus (COVID-19) emergency accommodation survey data: November 2020' (which can be found here: <https://www.gov.uk/government/publications/coronavirus-covid-19-emergency-accommodation-survey-data-november-2020>), how many of the total number of people listed as 'currently being provided with emergency accommodation in response to Covid-19 pandemic' in your local authority district (see Table 1) were;
  1. Funded solely by the Ministry of Housing, Communities & Local Government's 'Everyone In' scheme
  2. Funded directly by the local authority because they had 'No Recourse to Public Funds' conditions attached to their immigration status
  3. Funded directly by the local authority for another reason (please specify)
  4. Funded by a source other than the Ministry of Housing, Communities & Local Government or the local authority (please specify)

  1. Funded solely by the Ministry of Housing, Communities & Local Government's 'Everyone In' scheme
