1. Summary of Housing Related Grants Scheme

South Cambridgeshire District Council (SCDC) is committed to providing high quality housing advice and preventing and relieving homelessness across the district.

The Housing Related Grants scheme has been designed by the Council as a contribution to meeting this commitment. The scheme offers 3-year funding support agreements to voluntary organisations for the delivery of housing advice and homeless prevention services across South Cambridgeshire.

This document provides specific guidance to assist organisations applying for a grant to deliver these services. Applications will be accepted from 24 September 2018 – 5pm, 16 November 2018.

SCDC will allocate approximately £12,000 per annum to the Housing Related Grants scheme for the period April 2019-March 2022.

Budgets for the financial year 2019/20, 2020/21 and 2021/22 will not be finalised until February 2019, 2020 and 2021 respectively and are subject to on-going review, particularly in the light of the current situation regarding public sector finances. In applying to this scheme, you are doing so in the knowledge of this.

3. Eligibility Criteria for Applicants

Applications received will be determined on the following criteria:

Criteria relating to the Organisation

- a) Applicants must be from voluntary organisations and should normally be locally based. The organisation must be properly constituted as a registered charity or managed as a publicly accountable organisation. In appropriate

circumstances, support could be given on a limited pump-priming basis to enable new organisations to become established.

- d) If required by the Council, the organisation should be willing to include a representative of South Cambridgeshire District Council as an observer on its management committee.

Criteria relating to the funding proposal

- e) The proposal must contribute to the following service aims which are set out in the Council's current Housing Strategy:
 - **Preventing and Tackling Homelessness** – To reduce homelessness through being proactive in preventative measures and ensuring there is sufficient suitable accommodation available to people who are, or who may become homeless
 - **Improving housing options and extending choice** – To work in partnership to provide housing advice so that people understand their housing options, help them to sustain their current home or access alternative suitable accommodation
- f) The proposal must show the extent to which the organisation benefits people living or with a connection to South Cambridgeshire.
- g) Other sources of funding should have been explored and applied for.

1.	Extent proposals support the core aims of preventing homelessness and/or improving housing options. Applications which do not support these aims will not be eligible for funding and therefore will not be assessed against the remaining criteria.	5
2.	Value for money Extent that proposals will benefit South Cambridgeshire residents and communities	5
3.	Service Need The demand for the service proposed. This will include consideration of other similar services operating in the area and also the impact if your service was not provided.	5
