

Request 9683 – Waste Collection

Response

I hope the following will answer your query:

1. Do you currently operate commercial or residential waste collection services:

Commercial

(1) directly / inhouse,

Inhouse

(2) via a waste contractor, **N/A**

(3) or through a joint partnership with another authority?

Yes – still inhouse though

A. If via a contractor, please can you provide their name. Similarly, if in partnership with another authority, please name

Cambridge City Council

2. Could you please provide a breakdown of the number of large (i.e. A bin with capacity greater than 500 litres) recycling and general waste bins that you own, or fall under the remit of your authority? **15,000**

A. Can you provide details of how many of these bins are metal vs plastic?

75% metal

B. Are these bins purchased outright by the authority, or leased?

Supplied under contract, remain our property

3. If possible, can you provide any details of spending history on large (i.e., a capacity greater than 500 litres) recycling and general waste bins? (as many years as reasonably possible)

A. Can you provide details of which supplies this spend was with?

Classified

4. Do you carry out any maintenance on your existing fleet of 'large' bins? Is this done inhouse, or via a contractor? If via a contractor, please name

No, we use multiple contractors

A. Is it possible to provide details of spend on maintenance on 'large' bins? N/A

5. Do you have any 'Big belly' solar compactor bins within your authority? If so, how many?

No none
