

## Request 9585 – Business Rates

I have been attempting download information about business rates accounts from your website here <http://data.scambs.gov.uk/View/revenues/nndr-ratepayers> - but it seems to currently be down or no longer servicing, could you either direct me to where your business rates data is now published or if not, I would like to make an FOI query:

I request the following information under the Freedom of Information Act 2000 about Business Rates Accounts held by your Council:

- Account Name
- Account Start Date
- Billing Authority Reference
- Current 2017 List Rateable Value
- Details of any reliefs where applied, including a further breakdown if possible of:
  - o Type of relief applied
  - o Date the relief was applied
  - o Value of the relief
- Full Address of the rated assessment
- Billing Address
- Occupied/Empty Status
- Description

I am aware that the Account Name may be considered personal in some instances so I ask that in these cases you supply the rest of the information provided with the Account name redacted. Also, if there are any aspects of our request you cannot disclose information for, could you please identify them with a reason.

### Response

The information you require can be answered from data on file - A Data Extract that shows information on parties that either are liable for a National Non-Domestic Charge within the South Cambridgeshire District Council area or which receive full Relief or an Exemption. [XLS, 2MB] which can be reached through this URL - <https://www.scambs.gov.uk/your-council-and-democracy/access-to-information/freedom-of-information-foi-requests/>
