

## Request 9514 – Dog Breeding Licenses

Please could you provide the following information regarding Dog Breeding Licences in your area:

1. How many dog breeders are currently licensed within your area?
2. If applicable, how many breeding licenses have been issued to breeders who are breeding in the home?
3. Referring to question 2, how many dogs is each licensee licensed to keep, and are pets not used for breeding included in that number?
4. If applicable, how many breeding licenses have been issued to breeders using kennels?
5. Referring to question 4, how many dogs is each licensee allowed to keep?
6. Does the total number of dogs allowed to keep include puppies under 6 months of age?

### Response

1. How many dog breeders are currently licensed within your area? 11
2. If applicable, how many breeding licenses have been issued to breeders who are breeding in the home? 9
3. Referring to question 2, how many dogs is each licensee licensed to keep, and are pets not used for breeding included in that number? Number of dogs depends on each individual application. Pets not used for breeding are not included.
4. If applicable, how many breeding licenses have been issued to breeders using kennels? 2
5. Referring to question 4, how many dogs is each licensee allowed to keep? 5 and 15
6. Does the total number of dogs allowed to keep include puppies under 6 months of age? This would depend on if they are likely to be kept for breeding.
