

Request 9815 – Land drainage systems at Northstowe

Has 3C Shared Services received any requests for information since 1 September 2021 in regards to a land drainage system being installed at Northstowe Phase 1?

If so, could you please provide the reference numbers for each request and the date on which each request was received?

Response

Thank you for your request dated 11th October 2021. Our records show, at the time of your request, we have had one formal FOI request our ref (9805) (SCDC) received on 7th October 2021:

(SCDC) Drainage in Northstowe

Could you please send me a copy of the complete plans for the land drainage system being installed for the Northstowe Phase 1 allotments, and advise of any other land drainage systems currently operating or in the pipeline for Northstowe under freedom of information.

To assist you, we also provide below a copy of the response:

Please find the drainage plan on our website <https://www.scambs.gov.uk/community-development/northstowe/northstowe-allotments/>

All the land drainage systems agreed and operating at Northstowe can be found by visiting <https://www.greatercambridgeplanning.org/>.

The Northstowe Phase 1 Outline Planning Permission is reference S/0388/12/OL. Condition 23 – Outline Drainage Strategy was discharged for the entire Phase 1 under S/1116/14/DC and then each reserved matters detailed their drainage plans in accordance with Condition 23 part c. For reference Reserved Matters submissions include:
