

Request 9551 – Use of Drones & Dash Cams

Under the Freedom of Information Act, please provide me with an electronic copy of any Data Protection Impact Assessments (DPIA's) undertaken for the operation of Drones, Dash Cams, or Body-Worn Cameras within your Organisation.

Response

Drones – not held – South Cambs district Council has one drone that is used by planning enforcement for building surveys it is flown within CAA (Civil Aviation Authority) guidelines and has not been used for over 2 years

Body worn cameras – not held – not currently in use at South Cambs District Council

Dash Cams – not held – not in use at South Cambs District Council
