Background

This document explains the process to reset a password on the Civica Xpress MEA platform. Due to security constraints of Microsoft Azure, the platform that MEA runs on, MEA account passwords expire after 90 days. If you forget your password, or your password expires, you'll need to reset it.

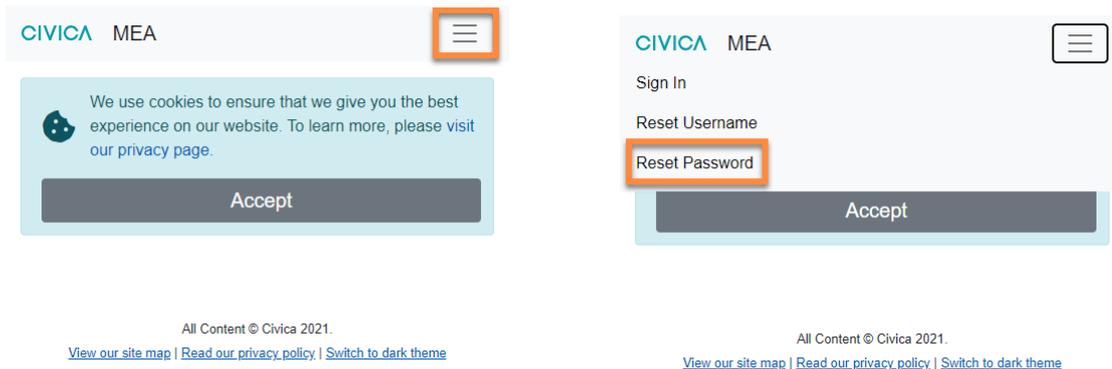

Getting to the Reset Password Page

The Reset Password page can be accessed from the home page of MEA (<https://mea.civica-xpress.co.uk/>) and clicking on the 'Reset Password' at top of the screen.

On larger screen devices, the option will be visible at the top of the home page:

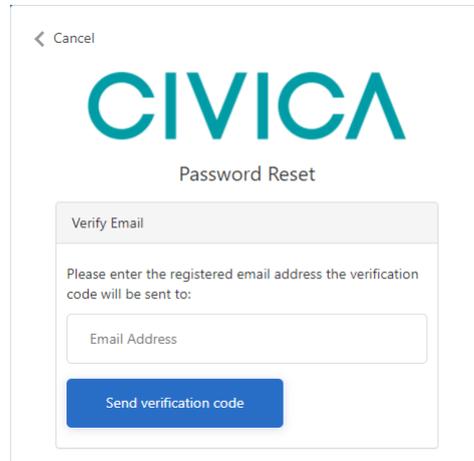

On smaller screen devices, the option may be hidden in a menu at the top right of the screen. Select the menu to access the Reset Password option:

Enter Your Email Address

On the page that opens, enter your email address and click the 'Send verification code' button. The verification code will be sent to your email address, as entered on this screen.

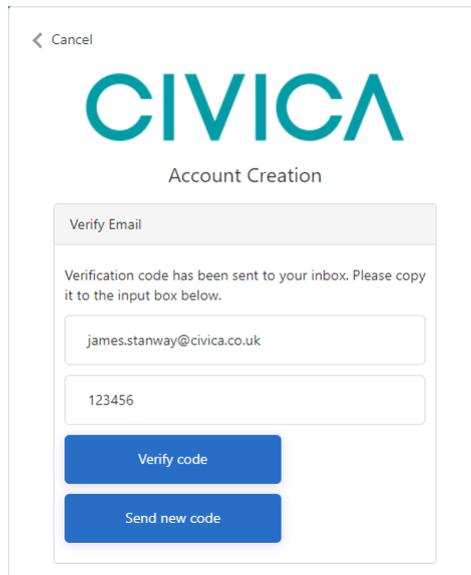

The screenshot shows a mobile application interface for a password reset. At the top left, there is a back arrow and the text 'Cancel'. The CIVICA logo is centered at the top. Below the logo, the text 'Password Reset' is displayed. A section titled 'Verify Email' contains the following elements: a text prompt 'Please enter the registered email address the verification code will be sent to:', an input field labeled 'Email Address', and a blue button labeled 'Send verification code'.

Enter Your Verification Code

After pressing the 'Send verification code' button, the screen will change, as below. The verification code can take up to five minutes to arrive in your email inbox. Make sure to check your junk mail folder as well if you have not received it.

After five minutes, if the code has not arrived, double check that your email address is correct on screen, amend if necessary, press the 'Send new code' button and check your email inbox again.

When you receive your verification code, enter it in the field below your email address and press the 'Verify code' button.

The screenshot shows a mobile application interface for account creation. At the top left is a back arrow and the word 'Cancel'. The CIVICA logo is centered at the top, with 'Account Creation' below it. A section titled 'Verify Email' contains the following elements: a message stating 'Verification code has been sent to your inbox. Please copy it to the input box below.', an input field containing the email address 'james.stanway@civica.co.uk', another input field containing the verification code '123456', and two blue buttons: 'Verify code' and 'Send new code'.

Enter Your Username

Now enter the username associated with your MEA account in the Username field and press the Continue button at the bottom. If you have forgotten your username, you can reset it using the button provided on screen.

< Cancel
