

## Request 10970 – Grass Verges

This is an information request relating to the cost of converting grass verges into new parking bays.

Please can you provide me with information on the cost of converting grass verges into new parking bays and the number of conversions made. Please provide this information for all such conversions made within the council area since 1st January 2021. Please only include instances where green verges have been converted into parking bays

- Please also, where possible, provide before and after images
- Please provide the locations of each converted bay

### Response

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I hope the information below will answer your query.

This information is already reasonably accessible to you. Under section 21 Freedom of Information Act 2000 (FOI) there is no right of access via the FOI Act if this is the case.

In order to find the information you can perform an advanced search [Applications Search \(greatercambridgeplanning.org\)](#) In the description box search with grass or verge to identify any relevant applications. Each application will show the location and any images we hold. The date fields can be used to filter the results further.

A guide to using the search function can be found here:

<https://www.scams.gov.uk/planning/public-access-user-guide/> You do not need to set up an account to use the system though.

We do not hold information regarding the cost of converting grass verges to new parking bays or the number of conversions that have been made.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
