

Request – 11232 RHL Relief

For the 2022/23 rate year, the Government has put in place a retail, hospitality and leisure relief scheme under which eligible business can receive 50% off their business rates bills for the period 1 April 2022 to 31 March 2023 - up to a total value of £110,000 per business.

Please provide the following

- 1) The number of hereditaments to which this relief has been applied to date
- 2) The estimated value of this relief to be granted by your authority for the whole of the 2022/23 rate year.

Response

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I hope the following will answer your query:

There are 454 hereditaments that the relief has been applied to and the value is £3224715.45

We aim to provide a quality service to you and hope that you are satisfied with this response, however if you have any questions, please contact us.
