

# Request 11259 - Childerley Hall Music Festival

## Licence and Noise Level Records

I wish to apply for a copy of the licence that was issued to Childerley Hall permitting them to hold the recent music events.

Furthermore, I wish to apply for a copy of the noise level monitoring records that were made over the events and including the locations where the records were made.

### Response

Thank you for your request for information above, which we have considered under the access to information provisions of the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

Please find attached the Licences that were issued to Childerley Hall. We have not included the event management plan as this contains personal details.

We ascertain the Council does not hold the information you seek regarding the noise level monitoring records as they are held by the festival organiser. It would require the event organiser to send their post event reports to us therefore we do not hold that data now.

We aim to provide a quality service to you and hope that you are satisfied with this response, however if you have any questions please contact us.
