

## **Request 11731 - Civil Defense Funds**

I am writing to request information under the Freedom of Information Act 2000.

I would be interested in any information held by your council regarding my request:

- I would like details of how much money you have collected each year for Civil Defence over the last 10 years?
- How such funds collected have been used?

I understand that I do not have to specify particular files or documents and it is the council's responsibility to provide the information I require. If you need further clarification, please contact me by email.

I would like the information to be emailed to me in electronic form.

If my request is denied in whole or in part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all non-exempt material. I reserve the right to appeal your decision to withhold any information or to charge excessive fees.

I would be grateful if you could confirm in writing that you have received this request. I look forward to your response within 20 working days as outlined by the statute.

### **Response**

Thank you for your request for information above, which we have dealt with under the terms of the Freedom of Information Act 2000.

I hope the following will answer your query:

I am a little confused as to what your request means by collections for Civil Defence?

However my department has done a search of organisations which could be considered part of Civil Defence in the UK and we have not made any grants or payments to them.

We aim to provide a high-quality service to you and hope that you are satisfied with this response. If you have any further questions, please do not hesitate to contact us.
