Dear Sir/Madam

Thank you for your consultation on the above appeal against the refusal of the planning application 21/00953/FUL.

On the 30 April 2021, we returned a no objection to the application. Following a review of the information provided, we concluded that due to the nature and location of the proposed development, it is considered unlikely to be any adverse effect upon the Strategic Road Network. We therefore have no further comment to make as part of the appeal process.

Kind regards

Alice
