<b>Site 016</b>	Site on western edge of Thriplow consisting of collection of agricultural buildings surrounded by hardstanding. In use as grain store with MOT test centre. West part in Green Belt. Adverse impact on landscape on approach into village if loss of mature hedges and farm buildings with rural character. Part of site could be developed to improve townscape on edge of village with careful design.
<b>Site 062</b>	Site located in southern part of Thriplow within the Green Belt and comprises of open grassland with trees. Would result in loss of significant area of open countryside within the core of the historic village if developed. Would alter existing character of village which is linear with interspersed open space. Significant adverse impact on setting of numerous listed buildings including Manor House and Thriplow Bury
<b>Site 063</b>	L shaped site on the southern side of Thriplow comprises of an extensive area of open grassland with trees. Would result in loss of significant area of open countryside within the core of historic village if developed. Would alter existing character of village which is linear with interspersed open space. Significant adverse impact on setting of numerous listed buildings including Manor House and Thriplow Bury
