Summary

The village has one recreation ground with two hard tennis courts in good condition, a football pitch and bowls green. A new Sports and Social Pavilion was opened in 2011 which provides better facilities on the Recreation Ground, this project was supported by SCDC with a £30000 grant for the £196000 total project. Barton Parish Council has a rolling programme of improving play equipment.

Barton as part of the joint vision for Cambridge's quarter to six quadrant has identified the need to enhance the sporting features and playing fields in the area

whilst keeping to the existing features of predominantly playing fields with only small pavilions and no large construction.
