

Viewpoint 3 – Woodside Road, Longstanton, looking east

Assessment notes

Construction Phase:

The trees aligning Long Lane would be retained and would screen much of the construction activity.

Operational Phase:

The enhanced planting within The Green Separation would create a noticeable improvement in the foreground of the view.

Viewpoint 4 –Mills Lane, Longstanton, looking east

Assessment notes

Construction Phase:

The trees aligning Long Lane would be retained and would screen much of the construction activity.

Operational Phase:

The enhanced planting within The Green Separation would create a noticeable improvement in the foreground of the view.
