4 Day working week weekly reporting form

Introduction

Weekly

Following your recent receipt of the retrospective data form, the Department requests that SCDC completes the following weekly data collection. The form requests ongoing data on: staffing, costs, service delivery, performance against a range of SCDC's KPIs, and resident feedback.

As stated in the Best Value Notice, the Department requests that this form is completed and returned on a weekly basis starting one week from its receipt. To allow time to gather the relevant information, each weekly submission should correspond to the week two weeks prior to the date of submission.

Please note that no personal data should be provided in this form.

Data collection - weekly

Data recorded in this section should relate to the period 30th October 2023 - 5th November 2023

Additional

commentary

Please provide any additional comments on the information provided in this section

Please use this box to provide an explanation for missing data or additional commentary

1A - This is a headcount of permanent and fixed term employees

1A – Housing - The headcount for Housing includes 4 staff who opted out of the 4DW trial and 6 staff not yet included in the trial. The headcount for Shared Waste includes 2 staff who have opted out of the trial.

1A - Transformation also includes HR and Corporate Services; this is the case for all questions where the weekly data is to be provided by service area.

1B - This is a headcount of temporary, casual, and agency staff

1B - Note - one employee can undertake more than one role

1C – permanent and fixed term staff costs are calculated monthly via the payroll process which includes calculations of National Insurance, Pension, allowances, overtime etc. This figure is calculated monthly and therefore data cannot be provided for individual weeks. The total costs for each month are provided as soon as the data is available.

1C - Agency staff costs are calculated monthly as part of our monthly accounting processes. The total costs for each month will be provided as soon as the data is available.

1D – Contracted hours for staff – no hours have contractually changed during this trial. The expectation is that all staff work 80% of their contracted hours. Full time hours = 37, anticipated working hours = 29.6

1D - Working pattern Part Time - hours vary between 4 - 34 hours per week. Actual hours worked are expected to be 80% of those contracted hours, which remain unchanged.

1E - This has been calculated on working pattern in i trent which for most staff in original trial is 4 days per week, for Shared Waste staff, i trent has not yet been changed so this is still 5 days per week

1E - Days sickness per FTE are calculated using number of days sickness absence in the service area per week divided by number of full time equivalents in the department – note absence data for this week period may change after submission date if further updates to cases are made in i-Trent.

1G - the spreadsheet is provided in the submission for 25/12-31/12 (and includes data for weeks 1-9) as this was requested retrospectively in the revised data request dated 29/12/23.

1H - Housing - The headcount for Housing includes 4 staff who opted out of the 4DW trial.

11 – Overtime payments are requested, processed and paid monthly as part of the payroll process so this data is provided monthly as soon as it is available. Note that a claim made in any month can cover any instances of worked overtime from the previous 3 month period. This number does not include out of hours payments, standby or call out payments.

1J – Additional employment – on 19/01/24 DLUHC paused this request for data pending discussion with the Minister.

4C: Methods of publicising feedback form to residents, for example, newsletters

Published on our website https://www.scambs.gov.uk/your-council-and-democracy/four-day-working-week-trial

4D: Provide details of all feedback or complaints received

1. To commend SCDC

2. I just wanted to send you a message of solidarity from a group of Local Government Officers in *******. Good on you for continuing the 4 day week pilot... Central

Government seems unwilling to consider evidence for whether it represents value for money (and wider societal benefits) or not. Hardly evidence-based policy! The hopes of a whole sector are resting on your shoulders!

3. I am appalled that a service industry would implement this when the entire point of the District Council is to serve residents and be available 5 days a week, it is quality of service as well as quantity of work that is important.

4. If you can perform five days work in four days then you either haven't got enough to do and/or there are too many staff. I'm sure we'd all like to be paid five days pay for four days work, wow.

4E: Provide details of process for handling complaints

When completing this form, customers are asked if they wish to be contacted to discuss their comments. Where that is the case, responses are prepared by the team and agreed by a senior manager. If customers wish to make a formal complaint they are always dealt with through our standard complaints process.
